WHERE ENGAGEMENT
CREATES OPPORTUNITY

VIRGINIA BANKERS
ASSOCIATION

VBA Sponsorship, Exhibiting & Advertising Offerings for 2022

The Virginia Bankers Association hosts a multitude of conferences throughout the year primarily for function-specific positions in our member banks. These programs are developed to offer an educational forum for our bankers to connect with their peers and stay abreast of updates on the latest issues and trends impacting the banking industry. Designed to also be the cornerstone of engagement for our industry partners, our events offer the most impactful opportunities to connect with our member banks.

What is a VBA Signature Sponsor?

VBA Signature Sponsor Packages are a unique offering for companies who are interested in providing a higher level of sponsorship support at VBA events. Signature Sponsors build their own individualized packages from the sponsorship, exhibiting and advertisement options in this brochure based on the programs that align best with their strategies. Recognition of this level of support is highlighted throughout the year in VBA publications and at all VBA events, both in-person and virtual, and on a special [Signature Sponsor webpage](#) on the VBA website, offering tremendous brand exposure. This, coupled with the numerous other benefits provided in our package offerings, is a great way to put your engagement plan in place for the whole year.

What about annual membership dues?

These are added in to your package to help you reach your sponsor goal level! Check out the complete set of package offerings on Page 4 of this brochure to see which one might be the best option for your organization!

Are there other engagement options available if I don't build a package?

Absolutely! We offer a wide array of individual sponsorship and exhibiting opportunities at our VBA conferences and Annual Convention. There are also advertisement opportunities in our *Virginia Banking* publications.

Have a creative, new sponsorship idea? Let us know!

We're always open to new ways to recognize our industry partners! If you don't see something in our brochure that works for you, we'll work to create something with your vision in mind.
