The Honorable Kevin McCarthy
Minority Leader
U.S. House of Representatives
Washington, D.C. 20515

Dear Speaker Pelosi and Minority Leader McCarthy:

Thank you for your active involvement in ensuring that small businesses remain vibrant employers in our country. The banking industry is pleased to be part of these efforts and continues to play an active role in assisting businesses in every region of this country.

As you continue to work to assist impacted small businesses, the American Bankers Association and the undersigned state banking associations, representing banks of all sizes in every state, write to express our strong support for **H.R. 7777, the Paycheck Protection Small Business Forgiveness Act** sponsored by Representatives Chrissy Houlahan (D-PA) and Fred Upton (R-MI) and 23 other members of the House of Representatives. This bipartisan legislation provides much-needed changes to the Small Business Administration's Paycheck Protection Program (PPP) loan forgiveness process by making it easier and less technical for smaller borrowers, whose businesses are already at greatest risk because of the COVID-19 pandemic.

If enacted, this legislation would forgive PPP loans of less than \$150,000 upon the borrower's completion of a simple, one-page forgiveness document. Simplifying the forgiveness application process for the smallest borrowers will provide additional relief to struggling small businesses by eliminating the existing requirement to spend hours dealing with unnecessarily complicated paperwork. According to the SBA data, PPP loans of \$150,000 and under, account for approximately 85 percent of total recipients, but less than 26 percent of loan dollars.

In addition to relieving these small businesses of the significant time and expenses required by the guidance released, this automatic forgiveness for all loans of \$150,000 and under, will also relieve SBA from an enormous administrative burden created by millions of requests for forgiveness. As the country continues to struggle with the economic consequences of the COVID-19 pandemic, H.R. 7777 will allow SBA to better utilize its limited resources to positively impact our nation's small businesses.

Banks of all sizes will continue to support their business customers and do their part to spur the economic recovery to come. In order to help our nation's smallest small businesses, **we urge Congress to quickly pass H.R. 7777, the Paycheck Protection Small Business Forgiveness Act** to provide necessary relief to millions of small businesses.

Sincerely,
