

BANK SCHOOL OFFICE HOURS

To help students who have additional questions about the material covered in class, each instructor will be assigned a half hour time slot on either Wednesday, July 29th or Thursday, July 30th (see schedule below).

Students will be instructed to sign up for office hours on a Google form ([First Year](#); [Second Year](#)) and will also indicate what areas of the material they have questions about to help facilitate the conversation. A separate Zoom link will be created for each instructor's office hours and a VBA staff member will also be in the session to help with any technical issues that may arise.
