# How your vision care plan works

*Your vision care plan* provides vision care services within a special network of vision care *providers*. You will receive benefits based on where you receive vision care services and the limits stated in the **Summary of benefits** (see page 2) and related exclusions. This section of *your* vision care booklet details how to access and make the most of *your* vision care benefits.

## Carry your ID card

*Your* coverage ID card identifies you as a *member*. When you show your ID card to *your* vision care *providers*, they will file your claims for you in most cases. Carrying *your* card at all times will ensure you always have this *member* information with you when you need it.

## Choose a vision care provider

To receive *in-network* benefits, you should receive care from a licensed optometrist, ophthalmologist, or optician that participates in the *Blue View Vision Network*. Refer to *your* participating *provider* listing to choose a vision care *provider* with a location that is convenient for you.

Many participating *providers* offer complete vision care services while others may offer only partial services such as dispensing eyeglasses or contact lenses. Follow the key in your *provider* listing to see which services each *provider* offers.

## How to find a vision care provider in the network

There are four ways you can find out if a vision care *provider* participates in the *Blue View Vision Network*:

- Refer to *your vision care plan's* directory of network *providers* at [www.anthem.com](http://www.anthem.com), which lists vision care *providers* that participate in the *Blue View Vision Network*.
- Call Member Services.
- Check with *your* vision care *provider*.
- Ask your *group administrator*.

## Out-of-network care

*Out-of-network* care is vision care services received from a *provider* who does not participate in the *Blue View Vision Network*. *Out-of-network* care is covered at a lower level of benefits than *in-network* care. When you seek care from a licensed optometrist, ophthalmologist, or optician, you will receive a set dollar allowance for covered services as stated in the **Summary of benefits** (see page 2).

## What is covered

To help care for *your eyes*, *your vision care plan* includes benefits for one routine eye examination per *covered person* each calendar year. In order to receive the highest level of benefits, *you* should seek care from a Blue View Vision participating *provider*.

### Summary of benefits

This chart describes *your* covered services and payment responsibility for care received *in-network* and *out-of-network*. For *out-of-network care*, *you* will be responsible for the difference between the allowance and the *provider's* charge.

A list of services that are not covered may be found in the **What is not covered** section.

	In-network		Out-of-network
	Copayment	Coinsurance	Payment allowance
<b>Routine vision care</b>			
One eye examination per member each calendar year			
Eye examination	\$15	0%	\$30

In order to receive *in-network* benefits, services should be received from a *Blue View Vision Network provider*. For *out-of-network care*, *you* will be responsible for the difference between the allowance and the *provider's* charge.

## What is not covered (Exclusions)

This list of services and supplies that are excluded from coverage *by your vision care plan* will not be covered in any case.

Your coverage does not include benefits for the following vision services:

- vision services or supplies unless needed due to eye surgery and accidental injury;
- routine vision care, except as outlined on page 2 of this booklet;
- experimental/investigative vision procedures or materials, as well as services related to or complications from such procedures;
- services for radial keratotomy and other surgical procedures to correct refractive defects such as nearsightedness, farsightedness and/or astigmatism. This type of surgery includes keratoplasty and Lasik procedure;
- services for vision training and orthoptics;
- sunglasses or safety glasses and accompanying frames of any type;
- any non-prescription lenses, eyeglasses or contacts, or Plano lenses or lenses that have no refractive power;
- any lost or broken lenses or frames;
- any blended lenses (no line), oversize lenses, polycarbonate lenses (for dependents over the age of 19 and adults), progressive multifocal lenses, photochromatic lenses, Transitions lenses (for dependents over the age of 19 and adults), tinted lenses, coated lenses, anti-reflective coating, cosmetic lenses or processes, or UV-protected lenses;
- any frame in which the manufacturer has imposed a no discount policy;
- services needed for employment or given by a medical department, clinic, or similar service provided or maintained by the employer or any government entity; or
- any other vision services not specifically listed as covered.

Your coverage also does not include benefits for services or supplies if they are:

not listed as covered under your *health plan*; received before the *effective date* or after a *covered person's* coverage ends; given by a member of the *covered person's* immediate family; provided under federal, state, or local laws and regulations. This includes Medicare and other services available through the Social Security Act of 1965, as amended, except as provided by the Age Discrimination Act. This exclusion applies whether or not *you* waive *your* rights under these laws and regulations. It does not apply to laws that make the government program the secondary payor after benefits under this policy have been paid. *HealthKeepers* will pay for covered services when these program benefits have been exhausted; provided under a U. S. government program or a program for which the federal or state government pays all or part of the cost. This exclusion does not apply to health benefits plans for civilian employees or retired civilian employees of the federal or state government; received from an employer mutual association, trust, or a labor union's medical department; or for diseases contracted or injuries caused because of war, declared or undeclared, voluntary participation in civil disobedience, or other such activities.

## Claims and payments

We consider the charge to be incurred on the date a service is provided. This is important because *you* must be actively enrolled on the date the service is provided. Also, the dates of service will affect *your* payment allowances and other minimums described in the Summary of benefits and in this section.

### How HealthKeepers pays a claim

#### Blue View Vision participating providers

If *you* go to a *provider* that participates with Blue View Vision, *we* will pay the *provider* directly.

#### Non-participating providers

If *you* go to a non-participating *provider*, *we* may choose to pay *you*. *We* will pay only after *we* have received an itemized bill and all the information *we* need to process the claim.

In the event that payment is made directly to *you*, *you* have the responsibility to apply this payment to the claim from the non-participating *provider*. In all cases, *our* payment relieves *HealthKeepers* of any further liability for the service.

### When you must file a claim

Network *providers* file claims on *your* behalf. *You* may have to file a claim if *you* receive care from a *provider* that does not participate in the *Blue View Vision Network*. To file a claim, follow these 3 steps:

1. Call 804-358-1551 in Richmond or 800-451-1527 to order a claim form or visit our web site at [www.anthem.com](http://www.anthem.com) for a copy of the claim form.
2. Please include the completed and signed claim form and any itemized bills for covered services. Each itemized bill must contain the following:
  - name and address of the person or organization providing services or supplies;
  - name of the patient receiving services or supplies;
  - date services or supplies were provided;
  - the charge for each type of service or supply; and
  - a description of the services or supplies received.

3. Send the completed claim form and any itemized bills for covered services to:

Blue View Vision, OON Claims  
 P.O. Box 8504  
 Mason, OH 45040-7111

### Timely filing of claims

Written notice of a claim is to be made within 20 days after the occurrence or commencement of any loss covered by the vision care plan. However, failure to give this notice shall not invalidate or reduce any

claim if the notice is given as soon as reasonably possible. Claim forms will be furnished to *you* if needed within 15 days after this written notice.

Written *proof of loss* must be furnished within 90 days after the date of service. A proof of loss is not complete unless it is properly filed and contains all information that *HealthKeepers* needs to process the claim. Failure to furnish the proof of loss within this time frame will not invalidate or reduce any claim if the proof of loss is given as soon as reasonably possible. However, no claim will be paid if we receive the proof of loss more than 12 months after the date of service, except in the absence of legal capacity of the *covered person*. All benefits payable for a claim will be payable within 60 days after receipt of the proof of loss.

### **When your claim is processed**

In processing *your claim*, *your vision care plan* may use protocols, guidelines or criteria to ensure that coverage determinations are consistently applied. Claims filed as outlined in the **“When you must file a claim”** paragraph of this section will be processed within 30 days of receipt of the claim. *We* may extend this period for another 15 days if *we* determine it to be necessary because of matters beyond *our* control. In the event that this extension is necessary, *you* will be notified prior to the expiration of the initial 30-day period.

*Your vision care plan* may deny a claim for benefits if information needed to fully consider the claim is not provided. The denial will describe the additional information needed to process the claim. The claim may be reopened by *you* or *your provider* furnishing the additional information. *You* or *your provider* must submit the additional information to *us* within either 15 months of the date of service or 45 days from the date *you* were notified that the information is needed, whichever is later. Once *your claim* has been processed by *your vision care plan*, *you* will receive written notification of the coverage decision. In the event of an *adverse benefit determination*, the written notification will include the following:

- the specific reason(s) and the plan provision(s) on which the determination is based;
- a description of any additional material or information necessary to reopen the claim for consideration, along with an explanation of why the requested material or information is needed; and
- a description of *your vision care plan’s* appeal procedures and applicable time limits.

If all or part of a claim was not covered, *you* have a right to see, upon request and at no charge, any rule, guideline, protocol or criterion that *your vision care plan* relied upon in making the coverage decision.

### **Recovery of overpayment**

*HealthKeepers* shall have the right to recover any overpayment of benefits from persons or organizations that *we* have determined to have realized benefits from the overpayment:

- any person to, or for whom such payments were made;
- any insurance company;
- a facility or *provider*; or
- any other organization.

*You* will be required to cooperate with *us* to secure *HealthKeeper’s* right to recover the excess payments made on *your* behalf, or on behalf of *covered persons* enrolled under *your* family coverage.

## Changing your coverage

### Who is eligible for coverage

*You* are eligible for vision care coverage if *you* are a participant in *your* employer's group health plan. *Your* eligible dependents covered under the group health plan are also eligible for vision care coverage. For more specific information on eligibility, please refer to the Evidence of coverage for *your* group's self funded health plan.

### Ending coverage

When a *covered person* ceases to be eligible or the required premiums are not paid, the *covered person's* coverage will end. Unless otherwise agreed to in writing by *Healthkeeper's*, the *covered person's* coverage ends on the last day of the month for which payment is made. The *covered person's* coverage ends on the last day of the month during which eligibility ceases.

# Important information about your vision care plan

## Statement of ERISA rights

As a participant in this plan *you* are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

*You* may examine, without charge, at *your plan administrator's* office and at other specified locations, all plan documents. These include insurance contracts, copies of all documents filed by the plan with the Department of Labor (such as detailed annual reports), and plan descriptions.

*You* may obtain copies of all plan documents and other plan information by writing to your *plan administrator*. The administrator may make a reasonable charge for the copies.

 **Helpful tip:** ERISA generally does not apply to church plans or to governmental plans (such as plans sponsored by city, county, or state governments, or by public school systems).

## Plan "fiduciaries"

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate *your* plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of *you* and other plan participants.

- No one may terminate *your* employment or otherwise discriminate against *you* in any way to prevent *you* from obtaining a welfare benefit or exercising *your* rights under ERISA.
- If *your* claim for a welfare benefit is denied in whole or in part, *you* may receive a written explanation of the reason for the denial.
- *You* have the right to have the *plan administrator* review and reconsider *your* claim.

## Enforcement of ERISA rights

Under ERISA, there are steps to enforce the above rights. For instance:

- If *you* request materials from the plan and do not receive them within 30 days, *you* may file suit in a federal court. In such a case, the court may require the *plan administrator* to provide the materials and pay *you* up to \$110 a day until *you* receive the materials (unless the materials were not sent because of reasons beyond the control of the administrator).
- If *you* have a claim for benefits or an appeal of a coverage decision, which is denied or ignored, in whole or in part, *you* may file suit in a state or federal court.
- If plan fiduciaries misuse the plan's money or if *you* are discriminated against for asserting *your* rights, *you* may seek assistance from the U.S. Department of Labor, or *you* may file suit in a federal court. The court decides who pays court costs and legal fees.

If *you* are successful, the court may order the person *you* have sued to pay these costs and fees. If *you* lose, the court may order *you* to pay these costs and fees, if, for example, it finds *your* claim to be frivolous.

### Assistance

If *you* have questions about *your* plan, contact *your plan administrator*. If *you* have questions about this statement about *your* rights under ERISA, contact the nearest Area Office of the Employee Benefits Security Administration, Department of Labor, listed in *your* telephone directory. *You* may also contact the Division of Technical Assistance and Inquires, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210.

### Employer premiums

*Your* employer is responsible for paying a monthly premium by the first day of the month for which coverage is purchased. *We* will allow employers a 31 day grace period to pay monthly premiums, except for the first month's premium. During this grace period, coverage will continue unless *we* receive a written notice of termination from *your* employer. *We* will notify *your* employer at least 15 days prior to terminating the group policy for non-payment of a monthly premium. *HealthKeepers* is not responsible for costs *you* incur during any period (other than the grace period discussed above) when *your* employer fails to pay full premiums.

### Changes in the vision care plan

*HealthKeepers* may adopt policies, procedures, rules, and interpretations to promote orderly and efficient administration of coverage under this EOC. Any provision, term, benefit, or condition of coverage and this EOC may be amended, revised, or deleted in accordance with the terms of the agreement between *HealthKeepers* and the employer. This may be done without the *member's* consent.

### Grievance/appeal procedures

*We* want *your* experience with *us* to be as positive as possible. There may be times, however, when *you* have a complaint, problem, or question about *your* plan or a service *you* have received. In those cases, please contact Member Services by calling the number on the back of *your* ID card. *We* will try to resolve *your* complaint informally by talking to *your provider* or reviewing *your* claim. If *you* are not satisfied with the resolution of *your* complaint, *you* have the right to file an appeal, which is defined as follows:

Complaints typically involve issues such as dissatisfaction about *our* services, quality of care, the choice of and accessibility to *our providers* and network adequacy. Appeals typically involve a request to reverse a previous decision made by *us*. Requests regarding claim errors, claim corrections, and claims denied for additional information may be reopened for consideration without having to invoke the appeal process.

### Complaint Process

Upon receipt, *your* complaint will be reviewed and investigated. *You* will receive a response within 30 calendar days of *our* receipt of *your* complaint. If *we* are unable to resolve *your* complaint in 30 calendar days, *you* will be notified on or before calendar day 30 that more time is required to resolve *your* complaint. *We* will then respond to *you* within an additional 30 calendar days.

### Appeal Process

Your vision care plan is committed to providing a full and fair process for resolving disputes and responding to requests to reconsider coverage decisions you find unacceptable such as a claim denial. Types of appeals include standard appeals and expedited appeals.

- **Standard appeals** are requests to reconsider coverage decisions of pre-service or *post-service claims*; and
- **Expedited appeals** involve requests to reconsider coverage decisions where the application of pre-service or post-service time periods for making appeal decisions could seriously jeopardize the patient's life, health or ability to regain maximum function, or in the opinion of the patient's physician, would subject the patient to severe pain.

### How to appeal a coverage decision

To appeal a coverage decision, please send a written explanation of why you feel the coverage decision was incorrect. You or your authorized representative acting on your behalf may submit the written explanation. Alternatively, this information may be provided to a Member Services representative over the phone. This is your opportunity to provide any new information that you feel we should consider when reviewing your appeal. Please include with the explanation:

- the patient's name, address and telephone number;
- your identification and group number (as shown on your identification card); and
- in the case of a claim, the name of the vision care professional or facility that provided the service, including the date and description of the service provided and the charge.

*your* appeal will not have participated in the original coverage decision, and will not be a subordinate of the individual who made the original determination. Any other decision that involves the review of medical information will be made by appropriate clinical staff.

Upon receipt of *your* appeal, the appeal coordinator who has been assigned to *your* appeal will send *you* a confirmation letter within 5 business days. *We* will resolve and respond to *your* appeal within the following time frames:

*We* will also provide *you*, free of charge, with any new or additional evidence considered, relied upon, or generated in connection with *your* claim. In addition, before *you* receive an *adverse benefit determination* based on new or additional rationale, *we* will provide *you*, free of charge, with the rationale.

When *our* review of *your* appeal has been completed, *you* will receive written notification of the outcome. In the event the original coverage decision is upheld, the written notification will include the specific reasons and the plan provision(s) on which the determination is based. *You* will also be entitled to receive, upon request and at no charge, the following:

- reasonable access to, and copies of, all documents, records, and other information relevant to the appeal;
- any rule, guideline, protocol or criterion relied upon in the coverage decision(s);
- the explanation of the scientific or clinical judgment as it relates to the patient's medical condition if the coverage decision was based on the medical necessity or experimental nature of the care; and
- the identification of medical or vocational experts whose advice was obtained by the plan in connection with the claimant's adverse decision, whether or not the advice was relied upon.
