

# Realworld

simplify adulthood.

Join a network of top companies in providing Realworld resources to your early career talent.

Realworld is the personalized playbook for life as an adult. Our free mobile application and website offer step-by-step guidance for decisions across finance, health, and work-life. We help 20-somethings build a customized to-do list, conquer the starter pack of fundamentals, and stay on track with personalized reminders and motivation from the community.

Ensure early-career talent can thrive at work with resources to onboard them to adult life.

- Engage employees with tools that speak their language - we are the platform for gen-z.
- Playbooks include video modules, embedded tools and vocabulary, and trusted service providers.
- Create a class of informed employees, educate them on your benefits offering.
- Level the playing field for all new hires, with the Realworld Starter Pack of 15 fundamentals.
- Marketing materials provided - including email, social media, and website content.
- Turnkey activation requires no binding contract, tech integration, or payment.

## About Realworld:

Realworld is on a mission to simplify adulthood. Trusted by the nation's top educators, Realworld's resources answer the FAQs of life in the working world, creating a community of empowered 20-somethings making informed decisions about their finances, health insurance, taxes, student loans, and more.
