Introducing Technology-Based Pet Insurance

With the Figo mobile app and Pet Cloud, managing your pet’s life has never been so easy.
What is Pet Insurance

A health insurance plan that covers the illnesses and injuries of your pet. This includes veterinarians, ERs, and specialists.

How It Works

If your pet is sick or injured, you can receive treatment from any licensed veterinarian in the U.S. or Canada.

What It Covers

All illnesses and injuries, including hereditary and congenital, are covered as long as they were not pre-existing conditions.

NEED TO KNOW

Pre-Existing Conditions

All pet insurance companies exclude pre-existing conditions.

Waiting Periods

Waiting periods are standard. With Figo we have a 5-Day waiting period for injuries and 14-Days for illnesses.

Deductibles

Unlike some companies, Figo’s deductibles are annual, not per condition.

Billing

Monthly premiums are processed 10 days prior to the next month’s billing date. There is a $2 monthly fee for credit cards and no fees for ACH.
