Thank you to our Tournament sponsor, CRS Data!

Tournament Details

Participants will enjoy friendly competition in a round-robin partner format, ensuring everyone gets plenty of playtime. Light snacks and one water bottle per player will be provided at the courts, but players are encouraged to bring their own additional water. If your plans have changed, and you're no longer able to play, please email [Monica McDearmon](#) as soon as possible.

Shuttle Information

The Pickleball Complex is located near Mountain Lodge. Shuttles will leave from the front entrance of the hotel at 12:45PM and will return players to the hotel after the Tournament shortly after 3:00PM.

Format

- 24 players, 6 courts;
- You will play every round and switch partners each round;
- You'll rotate courts each round—posted schedules will be available at the courts. You can view the schedule [here](#). We will complete as many rounds as possible during the two-hour Tournament.

Scoring

- We will use rally scoring (a point is awarded for every point won, regardless of who serves) to keep the tournament moving forward;
- Every point your team scores counts toward your individual tournament total;
- At the end, players with the highest total points will determine placements.

How It Works During Play

- At the start of each round, locate your:
 - Court assignment
 - Partner
- Play your match, then report your score to the Tournament Director [John Snead](#);
- Once all matches finish, wait for instructions and move to your next round.

Prizes

- 1st and 2nd place Men's and Women's winners will receive cash prizes. 🎉
