

Executive Leadership Institute

VIRGINIA BANKERS
ASSOCIATION

Session Five / May 23-24, 2023

Taking the Lead

As in real-life, conflicts and changes arise to challenge leaders when team trust, capacity, and finances are strained, and wise, quick decisions are needed. Teams will apply the concepts and skills developed during previous sessions in a competitive business simulation and are required to make quality choices while confronting the fast pace of everyday organizational challenges. Participants will collaborate on a research project throughout the ELI course focused on innovations in banking and making a formal presentation to an audience during the final session. Graduation ceremony will take place following the presentations.
