

FRAUD FIGHTER | FF-3000 ORDER FORM

Virginia Bankers Association

The **Virginia Bankers Association** has arranged for special pricing on UVeritech currency counting products. These same high-speed counters and counterfeit detectors are used by America's largest banks and retail chains to ensure accuracy and protect themselves against losses.

The **Fraud Fighter FF-3000** counterfeit detection scanner, which normally retails for \$329, can be purchased with this order form for the special price of only **\$299**.

Quickly & easily count real U.S. and Euro notes & detect counterfeits:

- The **FF-3000** is able to count up to 1000 notes per minute
- Three layers of testing for security features to detect counterfeit money
 - When a counterfeit note is detected the **FF-3000** sounds an alarm and stops counting
- Automatic starting, clearing, memory, and self-diagnosis functions
- Choose between counting in batch amounts or counting continuously

ONLY \$299*

**Plus tax (where applicable) and shipping. Call for delivered price and to inquire about volume discounts.*
