

# FRAUD FIGHTER | ULED2000 ORDER FORM

Virginia Bankers Association

The **Virginia Bankers Association** has arranged for special pricing on UVeritech security products. These same scanners are used by America's largest banks and retail chains to protect themselves against fraud losses. The **Fraud Fighter ULED-2000** counterfeit detection scanner, which normally retails for \$118, can be purchased with this order form for the special price of only **\$98**.

As the name implies, the **ULED-2000** uses long life LED bulbs to view "hidden" UV-fluorescent security features printed on currency, credit cards, driver licenses, and a variety of other important items. The scan is done quickly and discreetly at the POS—without slowing the transaction process or offending your customers!

### Check for security features in:

- Currency
- Credit Cards
- Checks
- Passports
- ID Cards
- Driver Licenses

### and other important documents!

Ask us about our **Driver License UV Security Feature Guidebook** as well!

ONLY \$98\*

*\*Plus tax (where applicable) and shipping. Call for delivered price and to inquire about volume discounts.*
