## *Additional Instructions*

- Raising Your Hand
  - As the non-speaker if you wish to ask a question or make a point during a meeting it is good protocol to use the 'Raise Hand' facility. If the tool bar is not showing at the bottom of the Zoom window, place your cursor over the Zoom window so it appears and select the 'Participants' icon.

A window listing other participants will appear, there is also a 'Raise Hand' icon, click the icon to make it known to the Host that you would like to raise your hand.

If you wish to lower your hand, click the 'Lower hand' icon that will have replaced the 'Raised hand' icon.

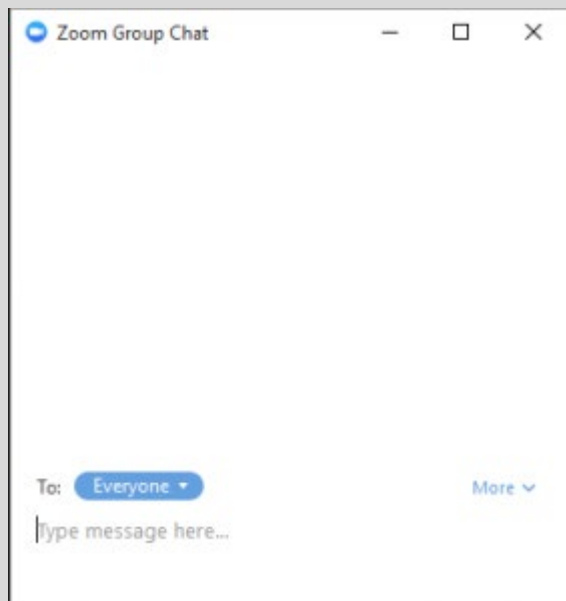

- Using Chat
  - You can use the 'Chat' facility to send text chat to all participants or privately to specific participants. Click on the 'Chat' icon in the tool bar, again hover your mouse over the Zoom window if you can't see the tool bar.

A chat window will then open. Select 'Everyone' or the name of the person you wish to send a chat message to.

- Using Chat Continued

- Audio Only

- It is possible that during the conference participants will be asked to turn off their cameras and move to audio only, particularly if there are problems with the available bandwidth. To do this simply click on the camera icon at the bottom of the Zoom window.

- Helpful Reminders

- If you have never used Zoom you will need to open the program on your computer.
- You can practice by signing up for a free account.
- Locate the mute, video, and chat buttons.
- Polling and breakout rooms may be used during the class (not available in the free version).
- Don't wait until the last minute to log-in, give yourself time to trouble shoot.
- If your internet connection is unstable you can dial in from your phone for audio only.
- Please keep your video on during the session except for breaks.

- Updating Zoom
  - Please update your ZOOM application according to the directions on this site <https://zoom.us/docs/en-us/zoom-v5-0.html?zcid=1231>
