2022 Internal Audit Seminar Norms

You will benefit the most from the Virtual Internal Audit Seminar by being actively engaged. We are committed to making that happen in a virtual classroom. Here are a set of norms to follow so that can happen:

- 1) Keep your camera on as much as possible.
- 2) Be respectful when others are speaking. Please keep yourself on mute unless commenting or asking a question.
- 3) Create an environment in which active listening is possible. Attend class from a quiet place with few visual distractions. Avoid backlighting like windows and bright lamps. Place your laptop on a solid surface for best sound. Do not engage in other electronics or social media during class.
- 4) If you are having any technical difficulties, please notify [Gail Queen](#) immediately so she can try to help you troubleshoot.
- 5) Be gracious with each other and the instructor.
